

ASK EVERY **HAPPY** CUSTOMER FOR A REVIEW

Google wants **authentic** reviews. Therefore, we cannot give the customer any sort of instruction on what their review should say.

We cannot ask for "positive reviews". Rather, we simply **ask for reviews from customers who have had a positive experience.**

TRY THIS SCRIPT:

"I'm glad that I was able to help you, we aim for 5-star service.

If there's nothing else that I can do for you today, I'd like to ask you a favor. Will you please leave us a review?"
